SIMPLIFYING QUEUE MANAGEMENT

CS-15QM/CS-25QM

The coaster pager helps to optimize your overall operation and provide your business an organized customer queue management system, giving your customers a pleasant and convenient dining experience.

It consists of 1 transmitter and multiple hand held waterproof coaster pagers. To page any coaster pager, simply enter the pager number on the transmitter and your customer will immediately receive an alert on their coaster pager.

Features:

- Alerts using flashing lights, vibration or beeps to contact customers
- Rechargeable and Compact in size
- Separate models comes with either 15 or 25 coaster pagers
